Fractal Systems FZCO has been delivering professional technology solutions since 2011. We are a mid-sized company who chooses to be “great instead of big”.

Our special event expertise has been adopted by event organizers around the world thanks to our innovative features and visionary conception of modern technology for events. While we rent ready-to-go items, Fractal Systems is also an experienced builder of custom installations.

We have developed an impeccable reputation for our attention to detail, proactive mindset and high level of customer service. It is our mandate to provide consistent service, while making our clients events unforgettable.

Our in-house services and products span across:

- Augmented & Virtual Reality
- Holograms
- Mechatronics
- Digital Signage
- Interactive Display Systems
- LED Displays
- 3D & App Development and much more...

From planning process through onsite execution. Join us...

Job Description

We are looking for an ambitious Junior Accountant to provide support to Fractal System’s financial department by managing daily accounting tasks. As a Junior Accountant, you will be working to maintain order and transparency for the company’s finances.

Responsibilities for the Junior Accountant

- Assisting with the preparation of financial statements and supporting schedules according to company’s timelines
- Assisting with the monthly close procedures
- Researching and resolving account reconciling items
- Assisting with documentation and testing of internal enterprise reporting system upgrades and modifications
- Supporting other team members as necessary
- Other projects as assigned

Requirements for the Junior Accountant Position

- At least 2 years’ experience as a Junior Accountant
- BSc/Ba in accounting, finance or relevant field
- CPA
- Knowledge of XERO/Quickbooks Platform is a must
- Excellent organizing abilities
- Great attention to detail
- Good understanding of accounting and financial reporting principles and practices

How to apply
